- 04

B-ROLL LIBRARY
Six to ten standalone product clips
- 05

FORMAT OPTIONS
9:16 standard, with 4:5 and 1:1 available

WORKFLOW

CHINA-BASED END-TO-END PRODUCTION

Based in China, we can receive product samples locally and manage production from concept through delivery. We support multi-SKU batches, modular paid-social assets and monthly content supply. Usage licensing is quoted separately by platform, territory, term and exclusivity. Raw footage is available as an add-on.

CUTDOWNS FOR PAID SOCIAL AVAILABLE
